

TERRIBLE IS THE SLAUGHTER IN BATTLES OF CHINESE WAR

**Hankow Is Now In Government Hands
--At Nanking Rebels Have Penetrated Inner Wall of the City.**

SAN FRANCISCO, Nov. 29.—Terrible slaughter has marked the fighting at Nanking, according to a cablegram received yesterday by the Chinese daily paper here. The report says that 3500 regular soldiers and 300 civilian volunteers have been killed.

Despatches received by the Chinese Free Press state that the imperialists and revolutionists are fighting inside of Nanking. The revolutionary navy is preparing to bombard the suburb Shih Kwang, occupied by the Manchus.

The Chinese daily paper also has word that the governors of Shantung and Honan provinces have wired Prime Minister Yuan Shi Kai that they have repudiated the republican government set up in these provinces.

It is stated that a revolutionary force of 4000 has left Canton for Hankow.

NANKING, China, Nov. 29.—Some fighting has occurred to the northward of the city. A bombardment is imminent.

There is reason to believe that Lieutenant General Feng Kwo Chang, commander of the imperial troops, has discovered a treacherous plot to open the city gates. Much shooting has been heard inside the city. All foreigners except the Japanese consul and his guard have departed.

The viceroy of the province and the Tartar general are reported to have returned to their yamens from the Japanese consulate, where they had taken refuge.

All foreign warships have drawn out of range.

PEKING, Nov. 29.—Lieutenant General Fong Kwo Chang, commander of the imperial troops at Hankow, telegraphed today that he occupied the whole of the city of Han Yang at 4 o'clock yesterday afternoon.

Wu Chang capitulated to the imperial troops yesterday, the revolutionary leaders expressing a desire to negotiate for a compromise and suggesting some slight alterations in the government program.

The government is endeavoring

to secure an immediate cessation of hostilities at Nanking, where the fall of the city is imminent.

There is much jubilation in official circles over the sudden success of Lieutenant General Fong Kwo Chang. The merchants are overjoyed at the prospect of a resumption of business and the re-establishment of order with the removal of the terrible menace to the lives of foreigners in the interior of the country.

HONG KONG, Nov. 29.—The West river is still regarded as unsafe for mercantile and passenger traffic because of the continued presence of pirates who frequently attack vessels passing along the river.

In regard to the prevalent piracy on the Shihau river, the military government of Canton has sent a deputy to the British consul general to express regret at the occurrences and to intimate that two gunboats will be despatched to make an investigation.

PEKING, Nov. 29.—The surrender of Wu Chang by the rebels yesterday was provisional and with a view to saving the city from destruction. The revolutionaries at Hankow have asked for a three-day armistice in which an attempt will be made to secure the consent of the other provinces to the acceptance of the imperial government's terms, including the preservation of the Manchu dynasty.

The government has received reports announcing that the fighting preceding the capture of the city of Han Yang lasted seventy consecutive hours. The carnage was heavy.

The government has asked the American Presbyterian missionary, Dr. Chas. Lewis, at Pao Ting Fu, to improvise hospitals for the wounded who are being brought in. The missionary union medical college at Peking is curtailing its classes in order to permit several British doctors and their Chinese assistants to go south.

The government troops demand the surrender of the Shansi rebels. Otherwise they threaten to attack the town.

CHARGE MADE OF BRIBERY IN M'NAMARA CASE

LOS ANGELES, Nov. 29.—Detective's of the district attorney's office, headed by Samuel L. Browne, arrested three men today, charged with attempted bribery in the McNamara case. They are Bert Franklin, former United States deputy marshal, now employed by the McNamara defense in looking up antecedents of prospective McNamara jurors; George Lockwood, a venfireman summoned to appear today for preliminary examination, and C. E. (Cap.) White, for many years under-sheriff and jailer of this county.

Browne says he "saw Franklin give Lockwood \$500, which was on him when he was arrested. White had \$3500 on his person," said Browne. "I know it was in connection with the McNamara case." Clarence Darrow, chief counsel for the defense, said he was sure there was nothing to the charge, but he would investigate. Browne indicated he expected further important development.

TREMENDOUS SEA SWEEPS THE DECK OF OCEAN LINER

NEW YORK, Nov. 29.—A tremendous sea which hammered the bow and swept the decks of the Fabre line steamship Santa Ana caused the death of four seamen and the serious injury of three others. News of the disaster was brought to port when the liner arrived yesterday from Marseilles and Naples.

The ship's passage was stormy and unpleasant, but it was not until November 23 that the heaviest sea was encountered. Described by Captain Peavy as the "most terrific he ever encountered," a great mass of water rose like a wall before the vessel then fell with crushing force on the decks and, sweeping over every part of the ship, carried Seamen Durand, Sarti, Casti and Quarelli overboard like corks. Three others were stretched out unconscious on the decks.

The impact of the wall of water nearly stopped the ship. Engines were reversed quickly. Life buoys were thrown out promptly and, as the vessel neared the spot where the four had been swept into the sea, they were seen floating on the buoys. The sea was so violent, however, that three of them soon relinquished their hold and sank. Quarelli succeeded in grasping a life line and was dragged back to his ship.

STEAMER BURNED.
SEATTLE, Wash., Nov. 29.—The wooden steamer Vashen caught fire at her dock in Anacortes yesterday. She was set adrift and permitted to burn to the water's edge. Loss \$25,000.

FELIX E. FLEUR, Bogus Check Man, Arrested AT SUISUN CAL

Sheriff Malley Does Clever Piece of Detective Work and Locates Man Through Letters to Three Different Women Consorts of Fleur--Sheriff Will Arrive With Prisoner Tomorrow Morning.

On November 1st there drifted into Tonopah an oily-tongued male person whom many thought was a nice gentleman, but who turned out to be a "crook," and a master of his art in writing checks drawn in his favor and signed "F. H. Baker." The checks, three in number, were all for the same amount, \$112.50, and each bore the same number. The man's name was Felix E. Fleur, and he represented that he had been working for Frank Baker, the Mina hotel man. After calling upon E. Dobrowsky, the jeweler; Morrow & Hussey, clothiers; and W. L. Young, the jeweler, for a couple of days in succession, and making a good impression on these business men, he purchased clothing and jewelry to the amount of \$175 and received in change the balance on each \$112.50 check, giving each one of these firms one of his forged checks of \$112.50. With new clothing and jewelry galore he journeyed to Manhattan with the Elk members who paid that camp a visit and while there passed one of his worthless checks to the amount of \$10. He returned to Tonopah the same night he went to Manhattan and next morning departed for Millers, where he said he was employed in the Belmont mill, but instead of stopping off at the Mill City he journeyed on to California.

Sheriff Malley has had the wires hot ever since Fleur skipped out, knowing that it was only a matter of time before he would be taken

by the law's arm, as the slippery gentleman had three lady loves of the "scarlet world" in three different coast cities. The officers of these cities were carefully watching the mails and with the result that when he made a visit to his Suisun woman the arrest followed. The sheriff left here Monday morning for Carson to possess himself of the necessary requisition papers on the governor of California in case his prisoner fought removal to this state. This, however, was unnecessary, for Fleur waived requisition and the sheriff will arrive in Tonopah tomorrow morning with his charge. The following dispatch was received this morning from Sheriff Malley and tells the story:

"Suisun, Cal., Nov. 29, 1911.

"Bonanza, Tonopah, Nev.

"Arrested Felix E. Fleur in Suisun, Cal. Fellow who forged checks on Morrow & Hussey and others in Tonopah and Manhattan. He waives requisition. We are leaving for Tonopah this morning. Will be home for turkey and football.

"ED MALLEY."

Sheriff Malley is entitled to much credit for his incessant work in the quick capture of this crook. It is thought Fleur is an ex-convict and an old hand at the business. It is safe to predict that he will not be in the check business for some time to come unless he passes one on Warden Baker. The evidence against him is conclusive and he can offer no defense for his crime.

DENVER, Nov. 29.—The jury in the sensational murder case of Gertrude Gibson Patterson, charged with the killing of her husband on September 25, 1911, in this city, after deliberating since last night, returned a verdict of "not guilty." SMUGGLING GANG HAS BEEN PULLED

GOVERNMENT OFFICIALS CAPTURE 23 PERSONS ENTERING MONTEREY.

LOS ANGELES, Nov. 29.—Twenty-three men and one woman were arrested by the federal immigration inspectors, being what officials declare is the largest gang of Chinese smugglers on the Pacific coast, which is now believed to be broken up.

Mrs. Edith Hill, claimed as the wife of one of the leaders of the gang, was arrested in the Central Avenue hotel and was placed in jail in default of \$5000 bail. The charge was having guilty knowledge of the operations of the alleged gang. Inspector Connell telegraphed to headquarters here that his men in a government launch, arrested 23 men in small boats as they were just entering Monterey bay this morning. The men were charged with being members of the gang. Hill, the husband of the woman here, is said to be one of the 23 caught at Monterey.

Tomorrow being St. Andrew's day there will be a celebration of the holy communion at St. Mark's Episcopal church at 10 a. m.

GERMAN FOREIGN OFFICE IS MAINTAINING SILENCE

Says, However, That England Will Soon Have an Opportunity to Show Her Hand.

LONDON, Nov. 29.—Overnight consideration of Sir Edward Grey's speech of yesterday on the international situation in the house of commons has served to emphasize the favorable view taken here of the effect of his utterances. There is some disappointment at the rather acrid comment of the German newspapers, but it is realized that their criticisms were written before the full text of the speech had reached Berlin and it is hoped that a further study of Sir Edward Grey's remarks will lead to a more cordial reception of Great Britain's proffer of friendship.

The stock exchange was not much affected. The market opened brighter than it has been, but the comment from Berlin had a somewhat chilling effect on prices, operators deciding to await advices as to effect on the Berlin bourse before indulging in a speculative outburst.

BERLIN, Nov. 29.—The conciliatory tone of the speeches of the British foreign secretary, Sir Edward Grey, and Premier Asquith, and their expressed desire for improved relations between Germany and England in the future are cordially re-echoed in government circles here.

It is significantly added, however, that the British government soon will have an opportunity to demonstrate the sincerity of the disclaimer of its ministers and the theory that one of the aims of the British policy is to stand in the way of German expansion and to block its every project.

No indication is given as to the field in which this opportunity will occur, but the touchstone perhaps will be found in the Bagdad railway.

LOS ANGELES, Nov. 29.—Ad
